

Wazuh Cloud Account Terms of Use

Version date: February 29, 2024.

We are happy to have you join our Wazuh Cloud Console experience and we hope you will make the most of your Cloud Account. Before you dive into exploring our Services, we would like to ensure you are familiar with some important guidelines.

These Wazuh Cloud Account Terms of Use (the "Terms") apply to both scenarios: when you sign up for a Wazuh Cloud Free Trial (Section A) and when you purchase a Wazuh Cloud Subscription (Section B).

Please read these Terms carefully as they form a legally binding agreement between Wazuh Inc. ("Wazuh", "we" or "us") and you or the person or entity you represent (collectively "you" or "Customer") when accessing the Wazuh Cloud Console by registering for a Wazuh Cloud Account (the "Account"). By creating or using the Account you represent and warrant that you are capable of providing consent and that you possess the full authority to enter into a contract on behalf of the entity you are representing.

Additionally, be aware that when you use or create an Account and/or access any Wazuh products or services, content, or other materials through the Account, you are also agreeing to be legally bound by the [Wazuh Website Terms of Use](#), and [Wazuh General Privacy Statement](#). If you do not agree with any of these terms, you may not register for an Account or use our products or services.

If you are using an Account based on a specific arrangement with Wazuh, such as the [Wazuh Cloud terms](#), that particular agreement will take precedence over these Terms.

Section A

Wazuh Cloud Free Trial

By signing up to your Account you are entitled to one (1) Wazuh Cloud free trial (the Trial). While all the provisions contained in Section B apply to the Trial, the following stipulations take precedence in the event of conflicting terms:

1. Term and Termination. The term for the Trial is fourteen (14) days and commences on the date that you create the first Wazuh Cloud environment through the Account. The first environment will have this free-of-charge period, while subsequently created environments will incur charges. The Trial expires within four (4) days if no agent is registered within the Cloud environment. We will cancel your Trial immediately if you do not comply with all these terms. The Trial can also be canceled by either of us at any time, by providing email notice to the other.

2. Limitations. The features and functions that you are entitled to use, as well as the allocation of cloud computing resources permitted during the Trial, are subject to Wazuh’s sole discretion and may be modified at any time.

3. Evaluators license. We grant you a non-exclusive, non-transferable, restricted license to access the Application solely for evaluating purposes, during the Trial’s term. Using the Application for commercial purposes or sharing access with third parties is strictly prohibited.

4. Support and Maintenance Services. While during the Trial you may receive certain Support and Maintenance Services. Wazuh is not obligated to provide them and the Service Level Agreement, attached as Appendix 2, does not apply to the Trial.

5. Evaluation obligations. By using the Application you agree to provide us with your evaluation results and experiences, promptly notifying us of significant issues encountered.

6. Warranties and disclaimers. You acknowledge that any and all of the Services, including but not limited to the Application and the Documentation, are provided "as-is." We make no express or implied warranties and disclaim any warranties regarding data loss or obtained results from the Services. We are not responsible for any losses arising from Service usage. For clarity, during the term of the Trial clauses 7 and 8 of Section B do not apply.

Section B

Wazuh Cloud Subscription

1. Use of your Wazuh Cloud Account

1.1. Login credentials. Using our Services involves setting up the Account with your email and a chosen password. It is crucial to maintain the confidentiality of your login details. You are solely responsible for any issues arising from inadequate security measures or the unauthorized use of your Account. If you suspect any unauthorized access, please inform us promptly.

1.2. Account limits. Registering multiple email addresses or attempting to evade fees by creating multiple Free Trial Accounts is not allowed and we will take all necessary measures to prevent this from happening.

2. Use of the Application

2.1. Use of the Application and Documentation. As long as you comply with all of these provisions, we grant you a limited, non-exclusive, revocable, non-transferable except as otherwise permitted herein, non-sublicensable right to use the Application and associated Documentation, during the Subscription Term.

2.2. Support and Maintenance Services. Wazuh commits to provide Support and Maintenance Services to the Application according to the Service Level Agreement.

Wazuh will own all right, title, and interest in and to all modifications or derivatives of, and improvements to, the

Application and all Documentation and any other part of the Services, irrespective of whether you or Wazuh creates them.

2.5. Your Data. You retain all rights, title and interest in and to Your Data, which we recognize as your property. Furthermore, we are aware that all intellectual property rights including Copyright, trademark, and trade secret rights in Your Data are and will remain your property. However, you grant Wazuh any necessary rights or licenses to use Your Data solely during the term of this Agreement, as required for us to perform our obligations hereunder, or after the Subscription Term as may be essential for our post-termination obligations. You agree to give us access to Your Data in order to monitor and diagnose performance related issues of the Application and to improve the Service. Additionally, you agree that we may use Your Data to collect, develop, create, extract, or otherwise generate statistics and other information and to otherwise compile, synthesize and analyze such as Blind Data. We do not expect you to provide Wazuh with any Personal Health Information (“PHI”) data. Please note that you are responsible for maintaining back-up on all Your Data. You are fully responsible for the content, accuracy and completeness of Your Data, and any loss, liabilities or damages resulting from Your Data, regardless of its nature. You shall not ingest and/or process Data to the Application if you do not have the right and authority to do so.

2.6. Feedback. If you provide any feedback to Wazuh concerning the functionality or performance of the Application (including identifying potential errors and improvements), it is understood that you assign to Wazuh all right, title, and interest in and to the feedback, and we are free to use the feedback without payment or restriction.

3. Your responsibilities

3.1. Compliance and use. You are responsible for (i) Your compliance and any Users' compliance with this Agreement; (ii) the accuracy, quality, integrity and legality of Your Data and of the means by which you acquired it; (iii) restricting access to Services only to Users; (iv) using the Application only in accordance with the Documentation; (v) using the Application and all Documentation in compliance with the Wazuh Acceptable Use Policy attached hereto as Appendix A and all applicable laws and government regulations; (vi) implementing commercially reasonable efforts to prevent and terminate unauthorized access to or use of the Application and all Documentation and immediately notify Wazuh in writing of any such unauthorized access or use; and (vii) cooperating and assisting with any actions taken by Wazuh to prevent or terminate unauthorized access or use of each Application or any Documentation

3.1.1. You are accountable for User's misuse of the Application to store or transmit infringing, libelous, or otherwise unlawful or tortious material, or to store or transmit material in violation of third-party privacy rights; use the Services to store or transmit malicious code; interfere with or disrupt the integrity or performance of the Services or third-party data contained therein; or attempt to gain unauthorized access to the Application or their related systems or networks.

3.3. Use restrictions. You agree to use the Application in compliance with all relevant laws, including export control and data privacy laws. You will not and will not permit or authorize anyone to (i) attempt to copy, modify, duplicate, create derivative works from, frame, mirror, republish, download, display, transmit, or distribute all or any portion of the Application or Documentation in any form or media or by any means; or attempt to reverse compile, disassemble, reverse engineer, or otherwise reduce to human-perceivable form all or any part of the Application; (ii) access all or any part of the Applications or Documentation in order to build a product or service that competes with the Services; (iii) license, sell, rent, lease, transfer, assign, distribute, display, disclose, or otherwise commercially exploit the Application or Documentation, or otherwise make the Applications or Documentation available to anyone; or (iv) circumvent or disable any security or other technological features or measures of the Applications.

4. Fees, billing cycle and payment

4.1. Fees. Upon subscribing to the Wazuh Cloud Service, you accept to pay all fees charged by Wazuh in relation to the such Service (the "Fees"). These Fees are calculated based on your setting preferences for each environment. These settings, together with the pricing schedule, are exclusively determined by Wazuh and may be modified at our sole discretion.

4.2. Billing Cycle: Your billing cycle starts on the first day of the initial Subscription Term for each environment, meaning the date on which you subscribe to the Wazuh Cloud Service. Subsequent invoices will be issued either monthly or annually, according to your choice. Prices are subject to changes between billing cycles; however, we will notify you of these adjustments before they become effective.

4.3. Payment. All amounts owed to Wazuh are in U.S. dollars, and payment must be made in this currency. Payments are non-refundable. By providing a credit card for payment, you authorize Wazuh to charge the Fees plus any outstanding balances, late fees, or related charges for the Services.

4.4. Upgrades and downgrades. If at any point you choose to adjust the setting preferences for your Wazuh Cloud environment, resulting in increased Fees, the changes will take effect immediately upon submission, and you will be charged the prorated additional amount in the current billing cycle. Subsequently, the next billing cycle will encompass the total Fees for the upgraded settings. On the contrary, if the adjustment decreases Fees, it becomes effective in the following billing cycle, and you will be able to continue using the Service in full until the current billing cycle ends. No refund will be provided in the event of a downgrade resulting in a Fees decrease.

4.5. Late payments. If you fail to make payment when due, Wazuh may offer a grace period of five (5) days from the invoice due date without incurring late fees. Beyond this period, a late payment fee of 1.5% of the outstanding balance per month may be applied. Additionally, after ten (10) days without receiving payment, we may suspend your access to our Services until full settlement, including late fees, is made. We may also initiate collection efforts, including legal action, with all associated costs at

your expense.

4.6. Taxes. All Fees are exclusive of taxes, levies, duties or charges imposed by government authorities (collectively, "Taxes"). Except for Taxes on Wazuh's income, revenues, gross receipts, personnel or assets, you are responsible for all sales, service, value-added, use, excise, consumption, withholding, and any other Taxes on amounts charged to you.

5. Term, Suspension and Termination

5.1. Term.

5.1.1 This Agreement will remain in effect as long as your Account is active.

5.1.2. The Subscription Term (the Term) for each Wazuh Cloud environment aligns with its billing cycle, hence it commences on the first day of each Wazuh Cloud Subscription, automatically renewing upon receipt of payment. We do not require any action on your part to start a new billing cycle.

5.2. Suspension. Wazuh may immediately suspend your Account and access to the Services if you (i) fail to make payment of an overdue invoice within five (5) days after the due date; or (ii) violate Your Responsibilities (Clause 3), the Wazuh Use Policies (Appendix A), or your confidential obligations (Clause 6). In any of these circumstances, you will still be responsible for all payments obligation and Wazuh will only restore the Account and access to the Services once the violation is remedied.

5.3. Termination.

5.3.1 This Agreement, together with any existing environment, will automatically terminate if you breach any of its provisions, including but not limited to payment obligations. Please note, that a breach of contract is a violation that is not cured within thirty (30) days of receiving notice.

5.3.2. Wazuh reserves the right to terminate this Agreement, together with any existing environment, at any time at its sole discretion, provided that ninety (90) days prior written notice is delivered to You.

5.3.3. If you want to cancel an environment you must communicate your intention to support@wazuh.com prior to the expiration of the then current Term, otherwise it will be renewed and charged accordingly. You may also terminate this Agreement by submitting an email request to cancel the Account along with any existing Wazuh Cloud environments. Termination will be effective as of the date that the cancellation request is processed by Wazuh.

5.4. Immediate termination. Either party may immediately terminate this Agreement upon email notice if the other party: (i) ceases to do business or otherwise terminates its business operations; (ii) becomes the object of the institution of voluntary proceedings in bankruptcy or liquidation; or (iii) becomes the object of the institution of involuntary proceedings in bankruptcy or liquidation, or a receiver is appointed with respect to a substantial part of its assets, if such petition or proceeding is not dismissed or receiver discharged within 30 days of filing or appointment.

5.5. Post Termination. Upon termination of this Agreement, you shall promptly cease the use of the Account, as well as any Wazuh products, services, content, or other materials that may have been provided to You.

5.5.1. Data Transition Assistance. Upon termination of any Subscription Term, all of Your Data stored in the Application shall be destroyed by Wazuh in such manner as to render it unrecoverable. If you need assistance exporting Your Data from the Application, kindly notify us at least fifteen (15) days in advance. This will allow us to offer our Consulting Services, subject to the prevailing fees at that time, to facilitate the migration of Your Data.

5.6. Survival. In the event of termination of this Agreement, any provisions that, by their nature, should survive such termination shall remain in full force and effect. This survival includes, but is not limited to, sections pertaining to confidentiality, indemnity, payment obligations, and any other provisions that should reasonably continue to be in effect, unless specifically inapplicable or expressly stated otherwise.

6. Confidentiality

6.1. Definition. As used here, "Confidential Information" refers to all confidential data disclosed by one party ("Disclosing Party") to the other ("Receiving Party"), whether orally, visually, or in writing, marked as confidential or reasonably understood as such. Your "Confidential Information" includes Your Data, while Our "Confidential Information" includes all Applications, Documentation, Services, and sensitive information like financial, security, or architectural details. This also encompasses the terms of this Agreement, as well as business strategies, technology details, product plans, and disclosed business processes.

6.2. Exclusions. Confidential Information does not cover data that: (a) becomes public knowledge without breaching this Agreement by the Receiving Party; (b) is already known to the Receiving Party without confidentiality obligations; (c) is independently developed by the Receiving Party without using the disclosing party's Confidential Information; (d) is rightfully obtained from a third party without disclosure restrictions; or (e) receives prior written approval from the Disclosing Party.

6.3. Protection of Confidential Information. Except as permitted in writing by the Disclosing Party, the Receiving Party commits to using the same level of care it uses for its confidential information to prevent the disclosure or use of the Disclosing Party's Confidential Information outside the Agreement's scope. Access to such Confidential Information will be restricted to employees, contractors, or agents who need it for purposes aligned with this Agreement and who have signed similar confidentiality agreements.

6.4 Use and Disclosure Restrictions. During this Agreement and for five (5) years after its termination, both parties agree not to use or disclose the other's Confidential Information, except as allowed herein. Despite the previous sentence, Confidentiality obligations for trade secrets will persist indefinitely. We may disclose Your Confidential Information to our affiliates, or on a confidential basis

to legal or financial advisors, on a need-to-know basis. If compelled by law to disclose Confidential Information, the Receiving Party will notify the Disclosing Party and provide reasonable assistance if the Disclosing Party wishes to contest the disclosure.

7. Warranties and disclaimer

7.1. Warranties. Each party represents and warrants to the other that: (i) this Agreement has been duly executed and delivered and constitutes a valid and binding agreement enforceable against such party in accordance with its terms; and (ii) no authorization or approval from any third party is required in connection with such party's execution, delivery, or performance of this Agreement.

7.2. Disclaimer. Each Application, access thereto, the Documentation and any Services provided hereunder are provided on an "as is" basis, and Wazuh and its affiliates and agents (i) do not make, and hereby expressly disclaim, any and all warranties, whether express or implied, including but not limited to warranties of merchantability, noninfringement, fitness for a particular purpose, title, quality, accuracy, and any warranties arising from course of dealing, usage, or trade practice; (ii) do not warrant that access to any Application will be uninterrupted, error-free, or secure, or that any information, software, or other material accessible or provided through any application is accurate, complete or free of viruses or other harmful contents or components; (iii) shall in no event be liable to you or anyone else for any inaccuracy, error, or omission in, or loss, injury or damage (including loss of data) caused in whole or in part by, or failures, delays, or interruptions of any Application, Documentation, or Services. Wazuh exercises no control over and expressly disclaims any liability arising out of or based upon the results of your use of any Application, Documentation, or Services. Some jurisdictions may not allow the exclusion or limitation of certain warranties. In such jurisdictions, Wazuh's liability shall be limited to the maximum extent permitted by law.

8. Limitation of liability

8.1. Disclaimer of Indirect Damages. Wazuh will not be liable for damages resulting from the use or inability to use any Application, Documentation, or Service, costs related to alternative goods or services, accuracy of data transmitted to other software or services, or unauthorized access to Your Data through security vulnerabilities. Except for liability arising from breaches of Your Responsibilities or your payment obligations, neither party shall be liable for lost profits, revenues, or indirect, special, exemplary, incidental, consequential, cover, or punitive damages, whether in contract, tort, or any other theory of liability, whether incurred by you or a third party, even if informed of the possibility of such damages. This disclaimer does not apply where prohibited by applicable law.

8.2. Cap on Liability. Except for liability arising from Your Responsibilities, your payment obligations, and Confidentiality breaches, neither party's overall liability under this Agreement, whether in contract, tort, or any other theory, shall exceed the total amount of Fees paid to Wazuh in the twelve (12) months before the incident.

8.3. Independent Allocations of Risk. Every provision in this Agreement limiting liability, disclaiming warranties, or excluding damages allocates the risks between the parties. This allocation is reflected in Wazuh's pricing and forms an essential part of the agreement between the parties. Each provision is independent, and these limitations remain effective even if any remedy fails to meet its essential purpose.

9. Mutual indemnification

9.1. Your indemnity. Wazuh will defend you against any claim, demand, suit, or proceeding ("Claim") made or brought against you by a third party alleging that the use of any Application as permitted hereunder infringes or misappropriates the intellectual property rights of a third party. We will indemnify you for any damages finally awarded, and for reasonable attorney's fees incurred by you in connection with any such Claim. To enable this defense you must promptly give us written notice of the Claim; provide us with all reasonable assistance, at our own expense, and hand us the sole control of the defense and settlement of the Claim (we will not settle any Claim unless it unconditionally releases you of all liability).

9.2. Exclusions from obligations. We will have no obligation under this Section 9 for any infringement or misappropriation to the extent that it arises out of or is based upon use of an Application in combination with other products or services if such infringement or misappropriation would not have arisen but for such combination; use of an Application for purposes not intended or outside the scope of the rights granted within this Agreement; failure to use an Application in accordance with the instructions provided by Wazuh, if the infringement or misappropriation would not have occurred but for such failure; or any modification of an Application not made or authorized in writing by Wazuh where such infringement or misappropriation would not have occurred absent such modification.

9.3. Mitigation of infringement action. If an Application's use becomes legally constrained due to the reasons outlined in 9.1., we will attempt to secure your continued use or replace/modify the Application. If these efforts fail, Wazuh will terminate the Application rights, refund any unused Subscription Fees, and terminate this Agreement.

9.5. Limited remedy. Sections 9.1., 9.2., and 9.3 establish Wazuh's sole and exclusive liability, and your sole and exclusive remedy, for the actual or alleged infringement or misappropriation of any third-party intellectual property right by any Application.

9.5. Wazuh's indemnity. You shall defend Wazuh against any Claim made or brought by a third party alleging that Your Data, or your use of the Services in violation of this Agreement, infringes or misappropriates the intellectual property rights of a third party or violates applicable law. You shall indemnify Wazuh for any damages finally awarded against, and for reasonable attorney's fees incurred by Wazuh in connection with any such Claim. This indemnification will proceed if we promptly give you written notice of the Claim; provide you with all reasonable assistance, at your expense; and hand you sole control of the defense and settlement of the Claim (but you cannot settle any Claim unless the

settlement unconditionally releases Wazuh of all liability).

10. General

10.1. Announcements and Trademarks. Unless stated otherwise, you agree that we may announce and list you as a valued customer of Wazuh. Similarly, unless stated otherwise, you grant us the limited right to showcase your logo on our website for promotional purposes throughout the term of this Agreement.

10.2. Relationship of parties. The parties to this Agreement are independent contractors and this Agreement will not establish any relationship of partnership, joint venture, employment, franchise, or agency between the parties. Neither party will have the power to bind the other or incur obligations on the other's behalf without the other's prior written consent.

10.3. Assignment and subcontracting. Neither party may assign performance of this Agreement, or any of its rights, or delegate any of its duties under this Agreement without the prior written consent of the other party. However, Wazuh may assign this Agreement with thirty (30) days prior written notice, in the case of a merger, acquisition or other change of control, or to an Affiliate which directly or indirectly owns at least 50% of the voting equity (or other comparable interest for an entity other than a corporation), and in such event this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns. Wazuh may subcontract to an Affiliate, or other third party to perform its duties under this Agreement, although it remains responsible for all of its obligations outlined in this document.

10.4. Amendments. Except as expressly stated herein, any waiver, modification, or amendment of any provision of this Agreement will be effective only if in writing and signed by duly authorized representatives of the parties, and in no case can be modified or supplemented by any other written or oral statements, proposals, service descriptions, or purchase order forms.

10.5. Notices. All notices shall be delivered by email and shall be deemed sufficiently given two (2) business days after being sent.

10.5.1. For all communications to Wazuh, you may contact, as appropriate, (i) support@wazuh.com in relation to the Services, (ii) finance@wazuh.com, in relation to invoices and payments, (iii) your Wazuh Customer Success Manager for all other communications, including Services issues; and (iv) legal@wazuh.com in relation to legal matters arising out of this Agreement.

10.5.2. For notices or communications to you, Wazuh will contact you through an authorized email address, meaning that of an Account administrator or your billing contact. If you want to change or add contacts for notices, this shall only be done through an authorized email address.

10.5.3. Wazuh may broadcast notices or messages through the Application or by posting notices or messages on the Wazuh website to inform changes to the Services, or other matters of importance.

10.6. Force majeure. Except for your payment obligations, neither party will be responsible for any

failure or delay in its performance under this Agreement due to circumstances beyond its reasonable control, provided that these are not caused by the negligence of the non-performing party, including but not limited to: labor disputes, strikes, lockouts, shortages of or inability to obtain labor, energy, raw materials or supplies, war, riot, act of God, governmental action (including the denial or cancellation of any export or other necessary license), or any other reason (including mechanical, electronic, internet service provider, or communications failure). If such force majeure circumstance lasts for more than 30 (thirty) days, either party may terminate this Agreement by notice to the other party, without such termination giving rise to any liability or right to any refund, nor releasing you from any pending payment obligations.

10.7. Solicitation of employment. The parties agree that during the term of this Agreement and for twelve (12) months thereafter, your officers or employees will not hire, solicit, recommend or advise, directly or indirectly, any Wazuh employee known to them under this Agreement, to celebrate any type of work or service contract with you.

10.8. Waiver. The waiver by either party of any breach of any provision of this Agreement shall be in writing and shall in no way be construed as a waiver of any succeeding breach of such provision or the waiver of the provision itself. The failure of any party to insist on strict performance of any covenant or obligation in accordance with this Agreement will not be a waiver of such party's right to demand strict compliance in the future, nor will the same be construed as a novation of this Agreement.

10.9. Severability. If for any reason a court of competent jurisdiction finds any provision of this Agreement invalid or unenforceable, that provision of the Agreement will be enforced to the maximum extent permissible and the other provisions of this Agreement will remain in full force and effect.

10.10. Dispute resolution. Any and all disputes, controversy or claims related to or arising in connection with this Agreement will first be referred to the Chief Operations Officers of each of the parties for an informal resolution. If this informal resolution does not resolve the dispute within thirty (30) days, the parties hereto agree to submit the dispute to binding arbitration in accordance with the Commercial Arbitration Rules of the American Arbitration Association ("AAA") then in effect. This provision shall not limit either party's right for interim judicial relief, such as an injunction, an order of eviction, or similar actions. Any such arbitration shall proceed in accordance with the laws of the State of California and the venue of any such arbitration shall be held in San Jose, California. Within ten (10) calendar days after the arbitration demand is served upon a party, the parties must jointly select an arbitrator with at least five years' experience in that capacity. If the parties do not agree on an arbitrator within ten (10) calendar days, a party may petition the AAA in order to appoint an arbitrator. The decision of the arbitrator shall be final and binding and no party shall have rights of appeal. Each party shall bear its own costs and fees in connection with the arbitration; however, the arbitrator shall have the power to order one party to contribute to the reasonable costs and expenses of the other party, or to pay all or any portion of the costs of the arbitration.

10.11. Governing law and jurisdiction. This Agreement and all matters arising out of or relating to this

Agreement, shall be governed by the laws of the State of California. Any dispute or disagreement arising out of or relating to this Agreement, if not resolved in terms of section 10.11, shall be subject to the exclusive jurisdiction of the state and federal courts located within the County of Santa Clara, California, and both parties hereto hereby irrevocably consent to venue and personal jurisdiction in such courts. Unless local law would require otherwise, the construction, interpretation and performance of this Agreement shall be governed by the substantive law of the State of California, excluding its choice of law rules, and applicable laws and regulations of the United States of America. The United Nations Convention on Contracts for International Sale of Goods shall not apply.

10.12. Entire Agreement - Order of Precedence. This Agreement, including all schedules, exhibits and attachments attached hereto, contains the complete understanding and agreement of the parties and supersedes all prior or contemporaneous agreements or understandings, oral or written, relating to the subject matter herein. No usage of trade or other regular practice or method of dealing between the parties will be used to modify, interpret, supplement, or alter the terms of this Agreement. In the event of conflict or inconsistency among the following documents, the order of precedence shall be: (1) Wazuh Cloud Account Terms of Use (2) Documentation.
